

UNIVERSIDAD NACIONAL AUTÓNOMA DE MÉXICO

National Autonomous University of Mexico

1551

Decree for the creation of the Royal and Pontifical University of Mexico.

1910

The National University of Mexico is founded as a public institution, secular in nature and national in scope.

1929

It obtains its autonomous status, with full legal capacity to govern itself.

1952

Ciudad Universitaria (Central Campus) is inaugurated and declared a World Heritage Site by UNESCO in 2007.

Today

UNAM is ranked among the world's top universities and has consolidated its international presence with 12 branches.

History

Our Community

Students
373,682

107,061 University High School System
233,346 Undergraduate
32,578 Graduate
697 Technical and preparatory program

Faculty
42,190

Undergraduate Programs

UNAM provides a wide variety of educational options at the undergraduate level with **133** programs in the areas of Physics, Mathematics and Engineering; Biological, Chemistry and Health Sciences; Social Sciences; Humanities and Arts.

Graduate Programs

42 Specializations with 268 fields of study

42 Graduate programs with 95 fields of study for both masters and doctorate

Social Sciences

Anthropology
Administrative Sciences
Political and Social Sciences
Law
Economics
Gender Studies
Latin American Studies
Geography
Social Work

Humanities and Arts

Architecture
Arts and Design
Library and Information Studies
Industrial Design
Teaching for Preparatory Education
Mesoamerican Studies
Philosophy
Philosophy of Science
History
History of Art
Literature
Linguistics
Music
Pedagogy
Urban Planning

Biological Sciences, Chemistry & Health

Biological Sciences
Biomedical Sciences
Biochemical Sciences
Marine Sciences and Limnology
Medical, Dental and Health Sciences
Chemical Sciences
Nursing
Animal Health and Production
Psychology
Neurosciences
Sustainability Sciences

Physics, Mathematics & Engineering

Astrophysics
Earth Sciences
Engineering
Computer Science and Engineering
Materials Science and Engineering
Physics
Mathematical Sciences

Online & Distance Education

UNAM offers:

- 1 High School program
- 22 Undergraduate online programs
- 28 Undergraduate hybrid programs
- 7 Graduate online programs
- 4 Graduate hybrid programs

Scientific Research

30% of the nation's research is conducted by UNAM

24 Research Institutes

Institute of Astronomy
Institute of Applied Sciences and Technology
Institute of Physical Sciences
Institute of Nuclear Sciences
Institute of Renewable Energies
Institute of Physics
Institute of Materials Research
Institute of Applied Mathematics and Systems
Institute of Mathematics
Institute of Radio Astronomy and Astrophysics
Institute of Biology
Institute of Biotechnology
Institute of Marine Sciences and Limnology
Institute of Ecology
Institute of Cell Physiology
Institute of Ecosystem and Sustainability
Institute of Neurobiology
Institute of Chemistry
Institute of Geophysics
Institute of Geography
Institute of Geology
Institute of Engineering

7 Research Centers

Center for Applied Physics and Advanced Technology
Center for Mathematical Sciences
Center for Nanosciences and Nanotechnology
Center for Genomic Sciences
Center for Atmospheric Sciences
Center for Geosciences
Center for Research in Environmental Geography

4,864 articles were published in peer reviewed scientific journals in 2023

5 Research Programs

Climate Change Research Program
Food Research Program
Health Research Program
Sustainability Strategies Program
Space Studies Program

Humanities & Social Sciences

11 Research Institutes

Institute for Anthropological Research
Institute for Bibliographic Research
Institute for Libraries and Information Research
Institute for Economic Research
Institute for Aesthetic Research
Institute for Philological Research
Institute for Philosophical Research
Institute for Historical Research
Institute for Legal Research
Institute for Social Research
Institute for University and Education Research

7 Research Centers

Center for Research on North America
Latin America and the Caribbean Research Center
Center for Interdisciplinary Research in Science and Humanities
Multidisciplinary Research Center on Chiapas and the Southern Border
Peninsular Center for Humanities and Social Sciences
Regional Center for Multidisciplinary Research
Center for Research and Gender Studies

8 Research Programs

Bioethics University Program
Human Rights University Program
Cultural Diversity and Interculturality Studies Program
Development Studies University Program
Asia and Africa Studies University Program
City Studies University Program
Higher Education Studies University Program
Democracy, Justice and Society Studies University Program

NATIONAL MONITORING & SURVEILLANCE SERVICES

National Seismological Service
National Astronomical Observatory
National Botanical Garden
National Library
National Newspaper and Periodicals Library
National Oceanographic Service
National Herbarium
Volcanic Activity Monitoring
Research Ecological Preserve Areas

Arts & Culture

10,555
Artistic and
cultural activities

1,587,000
Attendance

27
Museums and
cultural centers

3
Symphony Orchestras

Radio UNAM since 1937

18
Historical buildings

139
Specialized libraries

590,000
Historical film
and audio recordings

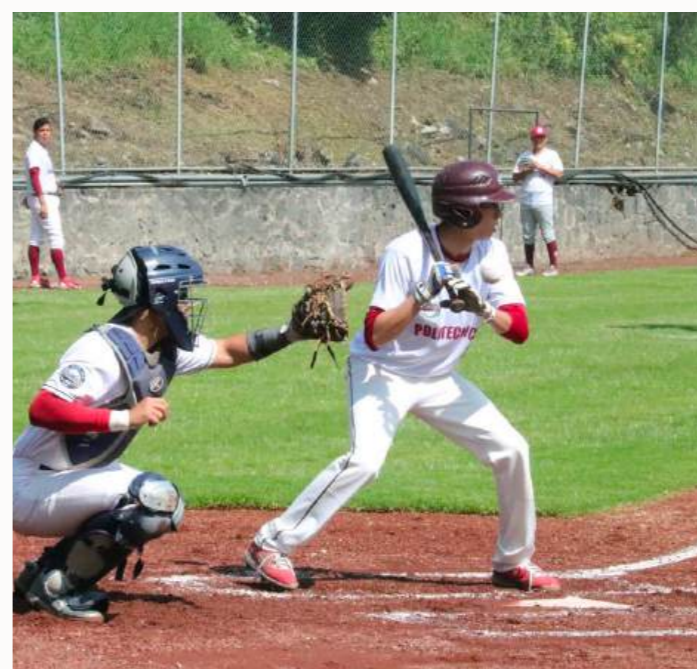

TV UNAM since 1985

Athletics

54 Sports and Disciplines

National Presence

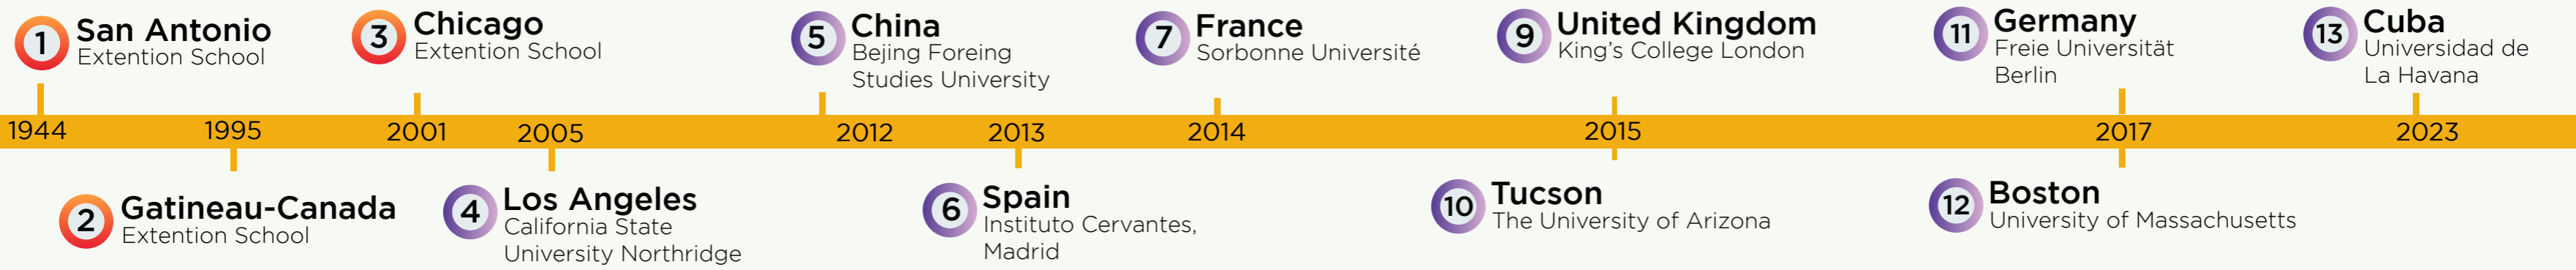

-  Central Campus
-  63 Campuses, Schools and Research Centers
-  61 National Seismological Service Stations
-  26 National Oceanographic Service Stations
-  3 Ecological Preserves
-  2 Astronomical Observatories
-  2 Oceanographic Research Ships

International Presence

-  Extention School
-  Center for Mexican Studies

Global Exchange

2,349

Faculty members abroad

1,375

Visiting scholars

8,067*

International students

3,385*

UNAM students abroad

2022-2023

Universities with representation at UNAM's Central Campus
